Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Newport Mental Health Access Center project in fiscal year 2023.

The entity to receive funding for this project is Newport County Community Mental Health Center, Inc., located at 127 Johnnycake Hill, Middletown, Rhode Island 02842.

This project would facilitate the construction of a new and centrally located mental healthcare access center in Newport County. The funds requested would support architectural costs, mechanical, electrical, plumbing, sound, light, and landscape systems design costs, and the first \$300,000 of hard construction costs. The project would enable Newport County Community Mental Health Center, Inc to increase their capacity of care and address the growing need for mental health care services in the community.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "D. N. Cicilline".
